

REMARKS

The Office Action of December 14, 2006 has been received, and the allowance of claims 2-11 and 28-42 has been noted with satisfaction.

In order to secure a patent without further prosecution, the present Amendment cancels the rejected claims.

Since the present application now contains only allowed claims, allowance of the application itself is respectfully requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Allen Wood", written over a horizontal line.
